MAHSA was established in earnest in the year 2005 in Pusat Bandar Damansara, Damansara Heights, Kuala Lumpur with the belief that higher education in the field of healthcare is a vital cog in the development of the nation. MAHSA is the brainchild of Professor Datuk Dr. Hj. Mohamed Haniffa who is Pro-Chancellor and Executive Chairman. In 2009, MAHSA was upgraded from College to University College status. This upgrade in class in a mere four years is a testament to the exemplary dedication of the academic and administrative staff coupled by the delivery superior programmes.

With due diligence and ample support from students, staff and the public, MAHSA is proud to announce its latest achievement of receiving University status.

MAHSA University is an entity that is continually evolving; developing new programmes, creating pathways of further education and delving into research activities so as to offer prospective and current students a rich learning experience and a comprehensive education which will be valuable and rewarding.
